Re: Michael Anthony Lucarelli
14 CR 00632 (JMF)

Dear Judge Furman:

It grieves me to request your indulgence once again for a situation we all wish were concluded. But, as of last evening, Mike Lucarelli informed me that he has not been assigned to a specific prison for service of his sentence. That once again raises the specter of reporting to a jail in Bismark, North Dakota, to await assignment, and to be at the mercy of the local jailer.

Accordingly, I once again respectfully request that you extend his time to report for service of sentence from March 27, 2015 to April 17, 2015. Perhaps the advent of a new month will expedite his assignment.

Respectfully,
